**Festive Symposium
on occasion of the
100th anniversary of
German Colour Fastness Committee DEK**

11th and 12th October 2011
Stadthalle Erding
Alois-Schießl-Platz

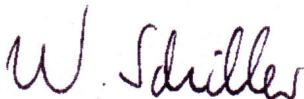

Dear Ladies and Gentlemen,

German Colour Fastness Committee DEK proudly celebrates its 100th anniversary and invites you to join the international symposium in Erding.

International experts from textile industry, textile and machinery manufacturers and retailers, testing houses and research institutes will give you an overview of the actual challenges to the textile industry and testing houses as well as actual standardisation work. All lectures will be translated into German and English.

We hopefully look forward to seeing you in October 2011 in Erding.

Kind regards

Dr. Wolfgang Schiller
President of DEK
